The historic returns and their relative performance shown may not be indicative of future returns; a fund's historical volatility may not be indicative of future volatility. Performance cannot be guaranteed. The indicated rates of return are used only to illustrate the effects of the compound growth rate and are not intended to reflect the future value of the fund or returns on investment in the fund. The Inception Date is the start date of investment performance and may not coincide with the date the mandate, fund or series was first offered for sale. Sector categories are based on the Global Industry Classification Standard ("GICS"). The percentage weights exclude cash.

Management Fees are paid to the Fund's Manager for managing the investment portfolio and for the day-to-day operations of the Fund. Embedded Management fees may also apply. Such fees will be charged by sub managers and deducted from the total assets which are assigned to the sub-managers. Such fees may vary by sub-manager type.
